### REPORT OF SCHOOL BOARD.

KKK

In submitting this our Annual Report, we are confident that the teachers have worked hard for the benefit of the schools, and the result was that we have had good discipline, and the scholars have *all* made good progress.

A year ago the School Board tried to get a portion of the fund raised by the State for the aid of schools, but were too late to receive any portion of it that year.

During the past year our schools received a visit from Mr. Folsom, superintendent of public instruction, and through his influence the town has received \$26.66 for the use of the schools for the year 1901,—For which the School Board do hereby pass Mr. Folsom a vote of thanks.

And we would recommend that the town raise the same amount for 1901, as we raised for 1900. For we cannot educate our children but once, and we consider money spent for the education of the children of our country one of the best investments we can make.

In Division 1 there was two terms. The first term was of eleven weeks, and was taught by Miss Lena M. Bailey of Nelson. This was Miss Bailey's first term in this school; and although the scholars were all small, she did good work, and they made good progress.

The second term was taught by Miss Clara E. Hills of Antrim. We understand this was Miss Hills first attempt at teaching, but gave good satisfaction.

In Division 2 we had two terms, both taught by Miss Abbie N. Hoyt of Bradford. This was Miss Hoyt's third year in this school, which we consider one of the best recommends a young teacher can receive. We hereby tender her our sincere thanks for the good work which she did in this school, and hope she will meet with as good success in her present school.

JOSEPH R. NELSON, J. A. HOLMES, MARY C. TEMPLE,

School Board of Windsor.
